**Bath Bars Available:**

**4:30** – A true herbal masterpiece, this bath bar provides perfect earthy elements for both men and women. Filled with sea kelp, deep rich hemp seed oil and an intoxicating herbaceous essential oil blend. Great for oily skin.

**Alice Rose** – This beautiful bar has notes of delicate lavender and rose. Organic rose powder complements the Moroccan red clay in the bar. Combine that with the subtle lingering aroma of organic Neem oil and you have a best seller. This is an excellent facial bar but may also be used on the body. Great for normal to oily skin.

**Along The Shore** – Take a relaxing stroll along the shore with this bar. Rich green hemp seed oil hydrates and nourishes the skin while sea clay and kelp detoxify and smooth the skin. Dead Sea salt swims throughout it and is sprinkled on top.

**Caisse** – Dare to be different! A lovely blend of essential oils leaves this bar with an intriguing yet addictive scent. Brewed Essiac tea fuses with deep notes of patchouli making this bar a sweet herbaceous infusion. Great for normal to dry skin.

**Cigarettes and Coffee** – This dark, sweet, decadent bar has the perfect combination of deep rich cocoa powder, exotic espresso and exfoliating coffee grounds. Drizzled with avocado oil, bitter almond and ginger essentials oils, this bar has just enough sweetness to calm your senses. Great for hands.

**Cinnamon Girl** – Exotic, alluring and decadent, this bar is a tempting blend of sweet, fiery cinnamon oil to warm and lift the spirit. Exotic macadamia nut oil tantalizes and penetrates

the skin while cardamom, cinnamon and nectarous sugar excite the senses. Not recommended for sensitive skin.

**Crouching Tiger Hidden Jasmine** – An Asian inspired bar with jasmine and green teas steeped in rich, cleansing and skin nourishing oils. Alfalfa and aloe soothe irritated skin while deep, herbaceous Clary sage oil calms and balances. Wonderful for both men and women

**Hello Vera!** – Aloe Vera and horsetail work together to soothe and nurture the skin. French green clay draws out impurities and tightens pores while Neem and aromatic tea tree provide the perfect ending. Great for oily, acne prone skin.

**I Hope** – Vibrant hibiscus enchants your skin with the help of healing Tamanu oil. This bar will have you basking in the sweet floral scent of lavender, palmarosa and a hint of vanilla. Great for all skin types.

**Lavender Buds** – Lavender and chamomile blend with the perfect amount of avocado oil, soothing Manuka honey and organic colloidal oatmeal for gentle exfoliation. Great for all skin types, especially sensitive and dry skin.

**Lemon Sense** – A burst of stimulating and refreshing citronella is combined with soothing oatmeal and calming chamomile. Great for normal to oily skin.

**Nature Boy** – Refreshing, uplifting and exotic, this bar is filled with beautiful emerald green plantain which calms the skin. Tamanu oil adds needed hydration while aloe soothes inflammation. Topped off with a splash of calypso, this bar is great for all skin types.

**Pumpkins From Poppy Seeds** – Playful poppy seeds are suspended in pure pumpkin seed bliss. Pumpkin seed oil nourishes while the poppy seeds gently exfoliate. Annatto seed provides the natural pumpkin color and anti-inflammatory and astringent properties.

**Raw Honey & Oats** – Raw Manuka honey conditions the skin while bee pollen provides cell renewal properties. Chamomile tea and colloidal oatmeal cleanse and calm the skin while the rich avocado oil benefits the most sensitive or irritated skin. Smells like oatmeal cookies. Great for sensitive and dry skin.

**Simplicity** – A simple melody of healing Tamanu oil, frankincense and myrrh. Great for all skin types.

**Unhook The Stars** – Antioxidant rich Acai berry, skin soothing alkanet root and nourishing avocado oil blend to create the perfect bar.

**Vanilla Berry Truffle** – An exotic bar graced with white truffle oil, Acai berry and vanilla beans. Splashes of Ylang Ylang and vanilla will leave you feeling calm and balanced.

**Vanilla Sky** – Sweet, delicate vanilla beans subtly exfoliate while the essential oils bend to refresh and uplift. Neem oil moisturizes and regenerates the skin. Great for all skin types.

**White Tea Jasmine Rose** – This bar is a delicate union of jasmine and rose mixed with antioxidant rich white peony tea and clarifying Moroccan clay. Finished with Tamanu oil, this bar has a lingering aroma of jasmine and roses.

**Yellow Brick Road** – Lemongrass and ginger are a spicy and refreshing combination in beautiful bar. It is laced with rich avocado oil, therapeutic turmeric root, and poppy seeds for exfoliation. Great for all skin types.
